

WHITE MAN SHOT TO DEATH.

Was a Prisoner in Jail for the Murder of a Woman.

Shreveport, La., April 28.—After working three hours with sledge hammers and pick axes a mob of 25 men broke into the parish jail at Homer, La., 75 miles northeast of Shreveport, and shot Dick Craighead, inflicting wounds which will probably prove fatal. Craighead was charged with the murder of Mrs. Ike McKee, the wife of his half-brother, and her little son.

The authorities were unaware of the design to mob the prisoner until it was too late to protect him. Every telephone and telegraph wire out of Homer was cut and the rifles of the Claiborne Guards, the local military company, were seized before the move was made on the jail. So quietly did the mob work that scarcely anyone in the little town was aware of what was taking place at the jail.

The man's leg, arms and portions of his body were literally riddled.

Believing that Craighead was dead, the members of the mob left the prison and quickly dispersed.

THREE DROWNED IN RIVER.

Wild Horse Dashes into Etowah—Man, Wife and Child Drown.

Atlanta, April 28.—Edward Axson, superintendent of the Franklin gold mines, near Ball Ground, Ga., his wife and little boy, were drowned in the Etowah river, near Canton.

It is stated that Mr. Axson was taking his wife and child for a drive when the horse became unruly. He reared for some time, and then ran away.

Mr. Axson was so completely taken by surprise that he was at a loss what to do. The horse jumped straight into the stream, and, before assistance could be secured, the whole family was drowned.

Mr. Axson is a grandson of Rev. Dr. Axson, of Savannah. Mrs. Axson was formerly from Boston. The little boy who was drowned was the only child of the couple. He was 3 years old.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." A Dare-Devil Ride

Often results in a sad accident. To heal accidental injuries, use Bucklen's Arnica Salve. "A deep wound in my foot, from an accident," writes Theodore Schuele of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." Soothes and heals burns like magic. 25c at all druggists.
